MEMORANDUM FOR January 2001 General Officer Assignment Advisory Board (GOAAB)
Candidates

SUBJECT: Memorandum of Instruction (MOI) for Preparation of the GOAAB Packet

1. The Secretary of the Army will convene a General Officer Assignment Advisory (GOAAB) board from 17 through 26 January 2001 to recommend the best qualified officers for general officer position vacancies occurring between 1 April 2001 and 31 March 2002.
2. Your statement of intent indicated your desire to compete.
3. This Memorandum of Instruction (MOI) contains instructions for preparing your GOAAB packet. It is imperative you read them carefully. The criteria for application eligibility are listed in the enclosed Information Paper, subject: Eligibility Requirements for the January 2001 General Officer Assignment Advisory Board (Enclosure 1). Also enclosed is an information paper on the General Officer Centralized Board System (Enclosure 2).
4. Your GOAAB packet must be postmarked by **18 August 2000**. Send it to: Commander, AR-PERSCOM, ATTN: ARPC-ZGO (2001 GOAAB), 1 Reserve Way, St. Louis, MO 63132-5200.
5. A packet checklist (Enclosure 3) is included for your convenience.
6. **Resume of Service Career and Addendums** (Instructions and samples are at Enclosures 4, 5, 6 and 7):
 - a. **For general officers and colonels assigned to general officer positions only**, a copy of your resume of service career is provided. Make written changes to your resume and fax it to the St. Louis GOMO at **(314) 592-0475**. If your resume is correct, please sign, do not date, it in the lower right corner of page one to show verification of all information. Mail your resume with your entire GOAAB packet.
 - b. **Colonels currently not assigned to general officer positions**, please provide two originals in the format shown at Enclosures 5, 6 and 7. Type your resume on individual pages, not "front to back". Substantiate all entries, either by your PERMS fiche or by copies of documents that are authorized for placement onto your OMPF. These include all rated and non-

rated assignments during your creditable service career, military and accredited civilian education, and authorized federal and foreign awards. **Sign, do not date, both originals of your resume of service career on page one at the bottom right corner.**

c. The most common errors on the resume of service career are: the incorrect listing of duty assignment titles and dates, and a lack of recording non-rated periods. **Duty titles and assignment dates must be identical to those duty titles listed on your OERs.** Any non-rated periods must be identified as such.

d. The following ADDENDUMS must be attached to **each** copy of the **resume of service career**:

(1) **ADDENDUM A - Civilian Occupation** (Enclosures 5 and 6). Must be completed by all applicants except AGR officers and USAR general officers on active duty. Limit the addendum to one (1) page. Do not include previous positions or civic/military affiliation information.

(2) **ADDENDUM B - Explanation of Command Equivalency** (Enclosures 5, 6 and 7). This document is **critical** and must be completed **by those applicants who have not had command experience at the battalion level or higher, or in a lieutenant colonel or colonel board selected command position.** Command time must total two years in the reserve component or one year while on active duty. The Addendum B should be at least one (1) full page but no more than two (2) pages long.

e. Recommended font style and size for the resume and addendums is **"Times New Roman 11"**.

7. OMPF PERMS Fiche:

a. A copy of your OMPF PERMS fiche is enclosed for your review. Review it carefully. If you do not have access to a microfiche reader at your local USAR center, check with your public library. The OMPF PERMS fiche is the key element in the board's consideration of your file. It is not unusual that documents are missing from the fiche. If documents are missing, provide official documentation to verify missing data (i.e., academic evaluation reports, certificates for awards, college transcripts, and profiled OERs). Without a copy of these documents, your candidacy file is incomplete and your **resume of service career** is **not verifiable**. Also, provide a copy of any documents that appear as poor quality images on your fiche. We will scan these documents into PERMS to provide an updated fiche to the board, if they are received by the suspense date.

SUBJECT: Memorandum of Instruction (MOI) for Preparation of the GOAAB Packet

b. Colonels currently not assigned to general officer positions need to send completed original OERs, with a through date **not later than 30 September 2000**, through command channels **directly** to the OER Processing Branch; Commander, AR-PERSCOM, ATTN: ARPC-PSV-EO, 1 Reserve Way, St. Louis, MO 63132-5200. Recommend you complete the OER Notice Form provided at Enclosure 8 and send it to your unit/agency personnel officer.

8. **Photographs** (Enclosure 9):

a. For general officers and colonels assigned to general officer positions, an 8x10 head and shoulders color photo is required for your packet. Once we receive your resume, we will notify you if a current photo is or is not on file in the St. Louis GOMO.

b. For colonels currently not assigned to general officer positions, send two (2) original, official photos taken after **1 January 2000**. Photos must meet these specifications:

(1) Size: 4" x 10" color or the new digital 4" x 6" photo are preferred. Head and shoulder photos and other pictures are **unacceptable**. The photos should reflect your current grade, **authorized** decorations, service medals and badges, and your basic branch (**do not wear General Staff, Inspector General, Staff Specialist, Aide Insignia, detail branch insignia, bloused boots or a backing on the parachutist badge**).

(2) Affix photos to the form at Enclosure 9 using transparent tape along the top and bottom edges only. Complete the requested information blocks and sign the form in the space provided.

9. **Physical Condition Statement** (Enclosure 10):

a. Provide a statement that reflects the date of your last Army Physical Fitness Test (APFT). If your present APFT date is more than one year old as 1 February 2001, you must submit a revised Physical Condition Statement. The new statement should reflect either your new APFT date or an explanation, including supporting documentation, explaining the reason why you are unable to take the APFT.

b. The Physical Condition Statement must also verify that you have completed a periodic physical and are eligible for retention and promotion. **Do not send a copy of your physical.** Please include the PULHES numerical data found in block 76 of Standard Form 88. **The exam must be dated on or after 1 August 1996.** Individual Mobilization Augmentees (IMAs) and Individual Ready Reservists (IRRs) should contact their Personnel Management Officers (PMOs) to obtain an administrative order authorizing the physical examination. Troop Program Unit officers should check with their Regional Support Command (RSC) Surgeon to determine the coordination needed to schedule a physical exam at their medical support facility.

15. **General Officer Projected Vacancy and USAR Position Lists:**

a. At Enclosure 16 is a **projected vacancy list**. This list reflects vacancies currently scheduled to occur from 1 April 2001 through 31 March 2002.

b. The list at Enclosure 17 reflects **valid USAR general officer positions** supported by the Chief, Army Reserve and the Chief of Staff, Army. Since un-projected vacancies occur annually, it is imperative you consider not only the projected vacancy positions, but also all positions you are qualified for and interested in. SUBJECT: USAR General Officer Centralized Boards System

The centralized system consists of two boards:

1. The General Officer Assignment Advisory Board (GOAAB) is convened by the Secretary of the Army. The GOAAB recommends order of merit slates for all authorized general officer positions. a. The GOAAB meets in January of each calendar year.

b. Programmed and un-programmed assignments are made beginning 1 April each year exercising the order of merit slates created by the GOAAB. Orders of merit slates are not announced.

c. Eligible officers will be solicited and must reapply each year if not selected by previous GOAABs.

2. The General Officer Promotion Selection Boards (GOPSBs) are also convened by the Secretary of the Army. All officers assigned to general officer positions, when eligible, are considered for promotion by these boards. The boards are normally scheduled in June and December following the GOAAB.

PREFERENCE STATEMENT

2001 General Officer Assignment Advisory Board

1. Please indicate those positions for which you believe you are qualified and desire assignment consideration by the 2001 General Officer Assignment Advisory Board (GOAAB). You may want to consider both projected vacancies and positions that are not projected to become vacant. The Board develops succession rosters for all USAR general officer positions listed on the position roster based on the qualifications of the applicants in order to fill projected and un-projected vacancies. Request you annotate the three-digit unit position code from the General Officer Position List in the spaces provided to you below. You can apply for up to six positions. Ensure you rank order your selections. Your preferences will be considered by the GOAAB to create succession rosters (slates) or Master Eligibility Lists for each position for the Secretary of the Army's approval. If you list a Troop Program Unit position that is more than 150 miles from your home, you **must** attach a statement outlining your availability for training. If you fail to do so and are selected by the GOAAB, you cannot be placed on the Master Eligibility List for the particular position(s) affected.
2. A list of projected vacancies, based on tenure completion and Mandatory Removal Date (MRD), is provided for your information. The information on the USAR General Officer Position List, USAR General Officer Projected to Vacate List is current at this time. More changes may occur throughout the GOAAB process as a result of position updates, TDA/MTOE revisions, or tenure extensions.
3. Candidates whose eligibility expires due to MRD during the 2001-2002 board year are subject to the eligibility requirements of subsequent General Officer Promotion Selection Boards (GOPSBs) if selected for assignment.
